DECLARATION

In Re the Application of:

Patent Titled: A Method of Neuromodulation Therapy
Inventor: LESLIE S. FEINBERG
Application No. 10,662,960

Dear Sir:

I, Lee A. Bowers, Ph.D. a citizen of United States of America (country) declare under penalty of perjury:

I reside at: (address) 210 Tower Road, Villanova, PA 19085

My educational background related to the field of this invention is: Doctorate (Ph.D.)

I have the following certifications related to the field of this invention: Pennsylvania Licensed Psychologist; Fellow, PA Psychological Assn.; Board Certified – Medical Psychology.

I have been providing psychological care and treatment to patients since: 1984

I have reviewed NMT: The Feinberg Technique, teaching the protocols of neuromodulation therapy.

The teachings and protocols taught by NMT: The Feinberg Technique, effectively teach a useful method of neuromodulation therapy as disclosed.

I have personally utilized this method in a useful manner in treating patients.

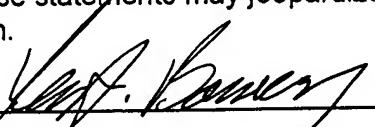

I believe that the disclosed neuromodulation therapy is useful in the health care field.

I have personally used the disclosed therapy to treat patients and offer the following case experiences:

1. Dozens of my patients have received this therapy for allergies and have been able to get off all medications and are allergy free.
2. Several patients have received neuromodulation therapy for severe and persistent pain and have been able to avoid surgery and are now off all medications and pain-free.

3. Numerous patients with autoimmune disorders including Multiple Sclerosis, Fibromyalgia, Chronic Fatigue, Lupus, and Rheumatoid and Osteo Arthritis have experienced significant, and in some cases, total remission of symptoms after neuromodulation therapy. Several of these patients have now been symptom free for well over a year.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed:  date: 1 / 5 / 05

Printed Name: Lee A. Bowers, Ph.D.
